

# Handpieces

## Handpieces and Wobblesticks

**Jaymor Industries** manufacture and sell industrial handpieces and wobblestick bases.

**Handpieces** can have up to eight thumb switches plus one trigger button, with faceplates that are custom labelled to the customers requirements. Wiring can be plugged at the rear of the handpiece or routed through the wobblestick base.

**Wobblestick** bases have proximity sensors to give 4 position feedback, with XY and X+Y operation.

Contact **Jaymor Industries** to find out more about the range of **handpieces** and **wobblesticks**.
